

Privacy Policy of onion-universe.com

Last updated 2024-02-20

This privacy policy describes how onion-universe.com ("onion-universe.com", "we", "us") collects, protects and uses the personally identifiable information you may provide through the onion-universe.com website or its API. The policy also describes the choices available to you regarding our use of your personal information and how you can access and update this information. This policy does not apply to the practices of companies that onion-universe.com does not own or control, or to individuals that onion-universe.com does not manage.

Information Collection and Use

For a better experience while using our Service, we may require you to provide us with certain personally identifiable information, including but not limited to your name, email address. The information that we collect will be used to contact or identify you.

From You

- Account Data: We collect certain information when you open an account such as your name, email address, others SNS accounts.
- Profile Information: We collect information to create a user profile, which may include a photo, additional email addresses, job title, or biography.
- Support Data: When you seek support from an administrator, we collect details like text, picture, or multimedia files.

Automatically

- Buttons, Tools, and Content from Other Companies: Our Services may contain links or buttons that lead to third-party services like Twitter or Google. Use of these features may result in data collection. Engaging with these buttons, tools, or content may automatically send certain browser information to these companies. Please review the privacy statements of these companies for more information.
- Essential Cookies and Similar Tracking Technologies: We use cookies and similar technologies to provide essential functionality like storing settings and recognizing you while using our Services.
- Geolocation Information: Depending on the Service's functionality, we collect regional geolocation data

- Service Usage Information: We collect data about your interactions with the Services, such as IP address, device information, session details, date and time of requests, device type and ID, operating system and application version, information related to your contributions to repositories, and performance of specific features or Services.
- Website Usage Data: We automatically log data about your Website interactions, including the referring site, date and time of visit, pages viewed, and links clicked.

What do we use your information for?

Any of the information we collect from you may be used in the following ways:

To facilitate our Service;

To improve our Service;

To assist us in analyzing how our Service is used.

How do we protect your information?

We implement a variety of security measures to maintain the safety of your personal information when you enter, submit, or access your personal information. Among other things, your browser session, as well as the traffic between your applications and the API, are secured with SSL.

Changes to Our Privacy Statement

We may periodically revise this Privacy Statement. If there are material changes to the statement, we will provide at least 30 days prior notice by updating our website.

Site usage by children

If this server is in the EU or the EEA: Our site, products and services are all directed to people who are at least 16 years old. If you are under the age of 16, per the requirements of the GDPR (General Data Protection Regulation) do not use this site.

If this server is in the USA: Our site, products and services are all directed to people who are at least 13 years old. If you are under the age of 13, per the requirements of COPPA (Children's Online Privacy Protection Act) do not use this site.

Law requirements can be different if this server is in another jurisdiction.
